Who we are

Built On The Rock provides all trades construction services to Commercial and Government related projects. The owners, Chris and Shannon Honaker each have over 24+ years of experience in the industry and does most work with our own skilled labor force. In addition to our construction work, we offer construction planning services and value engineering alternatives with most drawings. Our team is excellent at meeting timelines and executing projects with exceptional quality control completion.

We have completed smaller government projects from \$24,000 for the Department of Labor's Mine Safety and Health Administration to over \$3.8 million for renovating the DOL's facility with new metal building warehouse, laboratories and offices.

We provide:

- Self-performing most aspects of construction trades
- Background in engineering
- Knowledgeable in government contract procedures
- Professional courteous staff
- Licensed/ Certified equipment operators OSHA compliant
- Supervisor and crew leaders have a combined 32+ years experience with 30 Hour OSHA certification
